

# Melbourne High School Child Safety Code of Conduct

If you need help to

children and young people. Our responsibility is to provide a safe, supportive and enriching environment; one which respects and fosters the dignity and self-esteem of children and young people and enables them to thrive in their learning and development.

This Code of Conduct aims to protect children and reduce any opportunities for child abuse or harm to occur. It also assists in understanding how to avoid or better manage risky behaviour and situations. It is intended to complement child protection legislation, Department policies and procedures and professional standards, codes or ethics as these apply to staff and other personnel.

The Principal and school leaders of Melbourne High School will support implementation and monitoring of the Code of Conduct, and will plan, implement and monitor arrangements to provide an inclusive, safe and orderly school and other learning environments. The Principal and school leaders of Melbourne High School will also provide information and support to ensure the Code of Conduct to operate effectively.

## Scope

All staff, contractors, volunteers and any other member of the school community involved in child-related work are required to comply with the Code of Conduct by observing expectations for appropriate behaviour below. The Code of Conduct applies in all school situations, including school camps and in the use of digital technology and social media.
